### **Self Taught Web Developer**

07/2015 – Today

- Theoretical and practical training: HTML, CSS, JavaScript, PHP and MySQL
- Practical learning of MySQL and PhpStorm
- **Development and improvement of computer applications**

01/2014 – 07/2014

### **Self Taught DOT.NET Developer**

- Theoretical and practical training: C# and .NET
- Practical learning of Visual C# Express, Microsoft SQL Server and SQL Server Management
- **Development and improvement of computer applications**

04/2011 – 03/2013

### **PROALPHA FRANCE, Schiltigheim**

*Environments and IT tools : ERP Proalpha, Progress, OpenEdge Architect*

- Specific developments: time tracking, management plans
- Debugging and patching
- Database migration to a newer software version
- Data recovery

06/2009 – 10/2009

### **GEZIM INTERIM, mission at Mars Alimentaire, Haguenau**

*Environments and IT tools : Windows Server 2000, ASP, Frontpage, Oracle*

- Development of a new ASP planning management application
- Debugging of an another multilingual ASP application

03/2008 – 11/2008

### **EXPERTISE INFORMATIQUE, mission at EID Assurances, Strasbourg**

*Department «Taxation of savings»*

*Environments and IT tools : MVS, COBOL, TSO, IMS, DB2*

- Convergence of two processing lines, development of tax positions
- Changing a tax form

01/2007 – 02/2008

**SOGETI, mission at EID Finances, Strasbourg**

Department « OPCVM » and « OST »

*Environments and IT tools* : MVS, COBOL, TSO, IMS, DB2

- Management of the entire units of UCITS
- Development of a conventions management tool
- Modification of error messages management in many computer applications to an internal tool
- Deleting temporary files GSAM in computer applications

02/2006 - 12/2006

**SOGETI, mission at EID Assurances, Strasbourg**

Department «Saving» and «Individual Protection»

*Environments and IT tools* : MVS, COBOL, TSO, IMS, DB2, OS400, RPG, Windows XP, ACCESS

- Technical analysis and development of an application that recovers the production data
- Creating an application, which create new tables and another one to easily read this data

12/2005 – 01/2006

**SOGETI, mission at EID Finances, Strasbourg**

Department « OPCVM »

*Environments and IT tools* : VISUAL STUDIO, ASP.NET, C#

- Adding data in the history management tool

03/2005 – 11/2005

**SOGETI, mission at EID Assurances, Strasbourg**

Department «Saving» and «Individual Protection»

*Environments and IT tools* : MVS, COBOL, TSO, IMS, DB2

- Creating an application that recovers the production environment data
- Development and modification of transactional programs
- Creating new functions

## Education

2015

**Formation Développeur Web - Training Web Developer**

3W Academy, Strasbourg, France

2003

**Technicien Supérieur en Informatique de Gestion**

*Two-year technical degree in Management Computing*

AFPA, Strasbourg, France

2001

**Formation Grand Système IBM - Training IBM Mainframe**

Némo Informatique, Montpellier, France

1998

**Maîtrise de Biochimie - Master's degree of Biochemistry**

Université Louis Pasteur, Strasbourg, France

1993

**Baccalaureat Scientifique Spécialité Biologie**

*Scientific Baccalaureate Specialization Biology*

Lycée Frédéric Kirschleger, Munster, France

## Languages

Mother tongue

French

Foreign languages

**English** : working knowledge

**German** : good skills

## Interests

Sports

Cycling, swimming, alpine skiing

Driving licence

B

Civic Service

Engaged in an association promoting organic farming
